DIGESTION

DEPURATIVE

ORAL CARE

## DESCRIPTION

### Complementary feed for dog

A special blend of fibres, enriched with aromatic herbs which have precious beneficial properties, the ideal integration with every dog's meal. The natural intake of steamed vegetables, legumes and cereals combined with the benefits of leaves of rosemary and parsley.

## COMPOSITION

Wholemeal rice flakes, wholemeal barley flakes, wholemeal peas, flakes of integral oats, dehydrated carrot, wholemeal field bean flakes, rosemary, parsley.

## GUARANTEED ANALYSIS

Crude PROTEIN	11,50%
Crude FAT	2,00%
Crude FIBRE	4,00%
Crude ASH	1,85%

## RECOMMENDED USE AND DOSAGE:

Feed it to your pet as a partial replacement (from 10% to 25%) of the normal daily diet. Increase up to 50% in case your dog is overweight. We recommend using the product after adding water or broth, and making plenty of fresh water available to your dog.

WITH PARSLEY AND ROSEMARY
