## DESCRIPTION Complementary feed for dog

**FIBRE BREAK** is the pocket snack to always keep at hand to satisfy your dog's bouts of hunger. A natural bar made just of high-quality natural ingredients for a daily dose of extra-fibre, fundamental to proper intestinal activity. A 100% vegetable snack, with no meat, added-sugars, preservatives, artificial colourings or flavourings. It satiates your dog's hunger without weighing it down nor harming your daily efforts to give your dog a healthy and balanced diet. A highly digestible and energetic bar, thanks to the nutritional value of selected natural ingredients.

## COMPOSITION

Wholegrains cereals 70% (flakes of rice, flakes of barley, flakes of maize, flakes of peas, flakes of fava beans), dehydrated carrots, dehydrated leek, wheat flour type 0, carob seeds flour, vegetable oils and fats.

## GUARANTEED ANALYSIS

Crude PROTEIN	10,80%
Crude FAT	2,35%
Crude FIBRE	2,40%
Crude ASH	1,40%

## RECOMMENDED USE AND DOSAGE:

**FIBRE BREAK** can be fed to your dog on a daily basis, without exceeding the total suggested doses, even when feeding takes place in different moments of the day.

Dogs up to 10 kg: half a bar per day

Dogs over 10 kg: one bar per day.
